**2018 Year End Report**

## Bill Partin ♦ President & CEO

At Sharonview, we are passionate about giving back to the communities we serve. While it is our goal to be our members' financial partner, we value the opportunity to be a philanthropic resource in the community.

We are committed to improving the communities we serve and will continue to seek out opportunities to give back and be involved. We partner with organizations that enable us to be rooted more deeply and allow us to connect on a more personal level. Our hope is that through our community partnership we can improve the quality of life in areas we live, work, play and serve our members.

I am so proud of all we have accomplished through Sharonview Cares in 2018, and I look forward to making an even greater impact in the year to come.

## Mark Johnson ♦ Chief Charitable Giving Officer

2018 marks the 6th year I've been fortunate enough to work with Sharonview Cares. Throughout the years, we've funded many nonprofit organizations in North Carolina, South Carolina and New Jersey.

In the last year alone, Cares provided support to more than 40 community organizations serving those who most need assistance. Working with these groups, to aid them with expanding their reach into the community, has been a wonderful experience.

It is my pleasure to carry on this great work into 2019 and beyond.
